

Introducing the City of Warman Emergency Alert System

A Voyent Alert! Communication Service

Stay in the know with safety info on the go!

The City of Warman is pleased to announce its new emergency alert system, designed to keep residents safe and well informed in times of crisis. Register today to receive access to trusted, timely and accurate information that will ensure the safety of yourself and your loved ones during emergency situations in and around the community.

Alerts are personalized: you will only receive notifications that matter to you. You can monitor locations that are important to you, such as your child's school, your home or your workplace.

The City of Warman Emergency Alert system is FREE, it's EASY and it's 100% ANONYMOUS.

Mobile App Users: Download and install the Voyent Alert! app from the Apple or Google Play app stores.

Email or SMS Users: Register online to receive email or text-based alerts at <https://register.voyent-alert.com>
