BULK RIGID PLASTICS	WHITE GOODS & SCRAP METALS	
<u>MATERIALS THAT ARE NO CHARGE:</u> (Clean loads only, no mixed material loads, subject to inspection)		
CONCRETE: concrete (rebar must be 24 inches or less in length, no dirt/soil in the load), sand, gravel, brick, masonry		
CLEAN FILL: dirt and clay		
ASPHALT: crumbled asphalt roadway		
<u>SURCHARGE POLICY:</u>		
Loads with more than 10% by weight of material that can be recycled at this site or alternate recycling facilities (e.g. household cardboard, paper, plastics, metals, yard waste, clean wood, concrete, etc.) may be surcharged at a rate of 100% of the total load charge. Elm trees are at the General Waste rate only from Sept. 1st to Mar. 31st; from April 1st to Aug. 31st burial fees also apply as per provincial Ministry of Environment regulations for control of Dutch Elm Disease.		
Other materials, as may be agreed upon in writing, such as trailers, vessels, and containers of any kind (full or empty), must be approved by Site Manager before entering and will be subject to additional fees; all rates are subject to change.
