### Process:

1. Obtain a BIA or PID Application Form from the City Website or Office

2. Return completed application with supporting documentation and application fee to the City of Warman.

3. The Planning Department will commence research and review. At least 3 business days are required for completion.

4. Once the BIA/PID is finalized, it will be issued to the applicant.

### Required Fee:

BIA = \$50.00  
PID = \$25.00

### Notes:

If a non-compliance or deficiencies exist, the report will include additional information explaining the course of action required to resolve the issue.

Any reference to a building code deficiency indicates the condition of the property at the time of the last inspection.

These reports do not include a review of tax and assessment information or easement and interests registered at ISC.

The research performed is limited to files that are currently available.
