Loraas Disposal

Residential Waste Collection

Loraas Disposal is pleased to offer a variety of waste services to communities, municipalities, acreages, and farms throughout the province. We are Saskatchewan's leader in waste services and pride ourselves in being a local company with global standards. Today, we offer the most advanced waste management services available anywhere in Canada. Our commitment to our customers and our environment – drives everything we do.

Loraas Disposal Services Ltd. was founded in 1965 by Bruce and Carman Loraas. We have become the largest independently-owned solid waste collection and disposal company in Saskatchewan, and one of the largest in Western Canada. Loraas Disposal operates a fleet of over 60 trucks, and operates the first-ever privately owned landfill in Saskatchewan. This landfill is the first of its kind to employ advanced engineering technology to contain solid waste in a safe, environmentally conscious manner.

General Guidelines

- Cart lids must be completely closed for prevention of windblown materials. Over-filled carts with open lids may not be emptied.
- Place your cart as shown in the diagram by 7:00 am on collection day - this includes all statutory holidays, **EXCEPT** Christmas Day and New Year's Day.
- All trash must be bagged and placed inside of your black cart. Any trash left beside the cart will not be collected.
- Please return your cart to your property before the end of the collection day.
- In the event of severe weather, please leave your cart curbside. Our trucks will provide service as soon as possible after conditions have cleared.
- Do not remove your cart from its assigned address.
- Do not paint or mark your cart.
- Please inform Loraas Disposal of any damage, vandalism, or theft of your cart.
- Please do not allow children to play in or near the collection containers or vehicles.

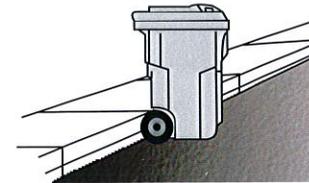

If you require more information please visit our website at www.loraas.ca or call our customer service team.
